Mission

Our mission at **Kids of Harmony** is to nurture the lives of young children both spiritually and academically while promoting growth in character and education in a loving, safe, structured, challenging, goal-oriented, age-appropriate atmosphere. It is our desire to see young lives expanded and bettered during these young years of their lives and to see them develop to become persons of discipline and character.

Curriculum

We seek to provide instruction and development in the areas of music, reading, writing, mathematics, Bible and other activities. It will share a uniqueness of giving children the opportunity to incorporate music into many, if not all of these core subjects. Along with the study of music, children will be encouraged to explore, create, and grow through activities such as art, gym and chapel times.

Faith

As a faith-based center, spiritual enrichment is recognized as an essential part of learning. We unashamedly teach, model, and develop the principles found in the Bible as an integral part of our program.

****Before Care (7:30-8:00 am) is available upon request with a charge of \$5 for each half hour started!!**

Music

We embrace the validity of music and the important role it has in learning. We believe that music is one of the primary vehicles of learning, and that through music children are able to explore and create in new and exciting ways. Through exploration comes discovery and learning.

Recent studies have indicated that musical training physically develops the part of the left side of the brain known to be involved with processing language. Linking familiar songs to new information can help imprint information on young minds. Recent studies also show that students who study music are more successful on standardized tests such as the SAT and often achieve higher grades in high school.

Policies and Procedures

A is for...

Arrival time is from 8:00 a.m.-8:30 a.m. Please have your child here NO later than 9:15 a.m. There is before care available beginning at 7:30 for an additional fee of \$5 each day. If your child arrives before 8:00 any day they will be charged the before care fee of \$5.

Attendance is VERY IMPORTANT! For preschool children to develop an appropriate understanding of the preschool structure and expectations it is beneficial for them to attend regularly. Your child's progress, both academically and socially, is influenced greatly by participation.

Absences are an understood part of preschool. If your child is sick, please call and inform us of your child's absence and the reason for it. This is for your child's safety as well as the safety of the other preschool students. If a student must leave early for a doctor's appointment, please let us know in the morning and we will have your child ready for you when you arrive. Never send another person to pick up your child without informing your child's teacher. If you are aware of an upcoming absence, please let us know in advance. Absences, unless due to death, will NOT be made up; please do not send your child on another day other than your regularly assigned days without permission. Please remember that absences DO NOT result in a refund of payment. Preschool tuition is based

on year long enrollment (a reserved space), not on attendance. To maintain a reserved space, tuition must be paid during the absence of a child due to illness, holidays, vacation, or for any other reason.

Reporting child **Abuse**...we are required by law to report any suspected incidents of possible child abuse or neglect. Your child can be questioned by child protective services at any time without your consent.

If your child is involved in an **Accident** at school that requires first aid, the parent/guardian will be notified and an accident report will be filled out and sent home.

B is for...

Behavior Management Plan: The goal of discipline is to assist and guide the children in the development of self-control. Teachers will discipline in a consistent way, based on an understanding of varying developmental levels. Simple and understandable rules will be established so that expectations and limitations will be clearly defined. Discipline will be constructive in nature, including such methods as diversion, separating the child from the situation, encouragement and reinforcements for appropriate behavior and effort. Corporal punishment is prohibited!!!

Birthdays are a special time at Kids of Harmony. Each child may bring in a special treat for his/her birthday. Please make arrangements with the teacher before bringing in a snack.

Bounced Checks: If a check is returned for non-sufficient funds, there will be a \$30 fee incurred as a result of the returned check. In addition, upon the second returned check within 6 months, only cash will be accepted for the next 3 months.

C is for...

Communication is encouraged and expected at Kids of Harmony. A monthly newsletter will go home to inform parents of what is happening at school as well as a daily behavior chart to keep you informed of your child's behavior. If you need to communicate with your child's teacher you may call and schedule an appointment or send an email to rebekah@kidsofharmony.com or info@kidsofharmony.com

We will keep your child's information disclosed and **Confidential**.

Our **Calendar** year will begin the 4th Thursday in August and continue through the last Friday in May. We will be closed for all major holidays as well as scheduled teacher work days!

We want to inform parents and guardians of **Choking** and strangulation hazards. These concerns involve "draw strings" and "chords" on clothes as well as furniture or toys. Please be careful to not have your child wear such clothes or be around items that could cause any potential for choking or strangulation. At school we take careful precautions to not allow students to come in contact with cords or strings that could cause harm.

To **Contact** Kids of Harmony for any questions or concern during school hours please call 304-207-0543. After hours, calls will be forwarded to a messaging service for Kids of Harmony, or feel free to email us at info@kidsofharmony.com.

Please be sure to download our **Remind App** to your cell phones. This is one way for you to stay directly connected to

our preschool and teachers through text and announcements. Instructions will be given at the open house for the way to set this up on your phones.

D is for...

Discipline is the training and guiding of a child to make right, appropriate choices. Therefore, we consider it an awesome responsibility to train and discipline your child. A discipline system will be in place that will encourage good behavior as well as discourage bad behavior. Each child will be responsible for their behaviors and will receive negative consequences for inappropriate behavior. Consequences may include limited free time and/or recess. Our teachers will strive to be consistent and fair in all situations. Parents will be notified if a situation arises that can not be handled at school. Corporal punishment is prohibited!!!!

Dismissal will be at 11:30 a.m. for half-day students and 3:15 p.m. for full-day students. Please be prompt to pick up your child. If you are going to be late to pick up your child, please call and let us know. **If you are later than fifteen minutes, a fee of \$15.00 per 15 minutes will be charged.** Continual tardiness in picking up your student will result in a fine and will not be tolerated. **Reminder: NO one may pick up your child that isn't on the list provided on your enrollment form.**

The **Dress Code** for our students is *modest play* clothes. Because we will be learning through play and hands on experience, it is important that your child be dressed in a comfortable, seasonally appropriate manner. Appropriate shoes for playing inside and outside are also important. Please NO flip-flops or shoes without backs. Modest clothing means: NO belly shirts, short shorts or skirts, clothing with inappropriate characters or messages. Kids of Harmony staff reserves the right to determine inappropriate dress.
